

## New for YSU in Summer 2018 and Fall 2018

**ENST1500—Introduction to Environmental Science will be offered as a HYBRID course at the Trumbull County Agriculture and Family Education Center**

### Summer 2018

Classes will meet on Tuesdays and Thursdays from 8 a.m.—11 a.m. for 5 weeks beginning May 29th

### Fall 2018

Classes will meet on Saturdays from 8 a.m.—noon beginning August 25. The course will follow the YSU campus calendar, but there are only 6 in person class sessions, the other weeks are online.

**About the course...** Basic environmental science literacy for informed citizens as inhabitants and stewards of Earth. The use of science and the scientific method to understand, assess and manage the environment to improve human health, conserve energy and resources, preserve nature, and sustain quality of life.

*Fulfills a high school science graduation requirement and YSU General Education Requirement.*

**Interested?** Show this flyer to your YSU academic advisor who can help you get registered for the course. Your HS counselor can tell you how to purchase the textbook.

**Questions?** Contact the YSU CCP Office at 330-941-2447 or [ccp@ysu.edu](mailto:ccp@ysu.edu)
