

FFVP – FRESH FRUIT & VEGETABLE PROGRAM

The Fresh Fruit and Vegetable Program (FFVP) is a federally assisted program providing free fresh fruits and vegetables to children during the school day. Badger Elementary was awarded this grant for the 2026–27 school year.

Students at Badger Elementary will receive a fresh fruit or vegetable snack twice a week during a chosen time outside of the designated breakfast and lunch periods.

The goal of the FFVP is to introduce children to fresh fruits and vegetables, to include new and different varieties, and to increase overall acceptance and consumption of fresh, unprocessed produce among children. The FFVP also encourages healthier school environments by promoting nutrition education.
